Porsche 911 engine parts and machining incl. sub-categories > Piston and Cylinder Sets

Piston / Cylinder Porsche 911 2,0 110PS, 914/6 Mahle

Model: 01147P

Mahle piston and cylinder set Porsche 911.

For 2,0 liter engine, 110PS, also to use for Porsche 914/6.

Set for one engine.

Piston / Cylinder Porsche 911 2,0 130PS Mahle

Model: 01138P

Mahle piston and cylinder set Porsche 911.

For 2,0 liter engine, 130PS, build year 1965-1968.

Set for one engine.

Piston / Cylinder Porsche 911 2,0 S 160PS Mahle

Model: 01139P

Mahle piston and cylinder set Porsche 911.

For 2,0 liter S engine, 160PS, build year 1967-1968.

Set for one engine.

Piston / Cylinder Porsche 911 2,2 S 180PS Mahle

Model: 01149P

Mahle piston and cylinder set Porsche 911.

For 2,2 liter S engine, 180PS.

Set for one engine.

Piston / Cylinder Porsche 911 2,4 E Mahle

Model: 01140P

Mahle piston and cylinder set Porsche 911.

For 2,4 liter E engine, build year 1972-1973.

Set for one engine.

Piston / Cylinder Porsche 911 2,4 L 130PS / 911 2,4 T-E Mahle

Model: 01153P

Mahle piston and cylinder set Porsche 911.

For 911 2,4 L and 911 2,4 T-E 130PS engines, build year 1972-1973.

Set for one engine.

Piston / Cylinder Porsche 911 2,4 S Mahle

Model: 01145P

Mahle piston and cylinder set Porsche 911.

For 2,4 liter S engine, build year 1972-1973.

Set for one engine.

Piston / Cylinder Porsche 911 2,4 TK USA 140PS Mahle

Model: 01154P

Mahle piston and cylinder set Porsche 911 TK USA.

For 2,4 liter engine, 140PS, build year 1973.

Set for one engine.

Porsche 911 engine parts and machining incl. sub-categories > Piston and Cylinder Sets

Piston / Cylinder Porsche 911 2,7 150PS Mahle

Model: 01141P

Mahle piston and cylinder set Porsche 911.

For 2,4 liter engine, 150PS.

Set for one engine.

Piston / Cylinder Porsche 911 2,7 Carrera 210PS Mahle

Model: 01142P

Mahle piston and cylinder set Porsche 911.

For 2,7 liter Carrera engine, 210PS.

Set for one engine.

Piston / Cylinder Porsche 911 3,0 204PS Mahle

Model: 01143P

Mahle piston and cylinder set Porsche 911.

For 3,0 liter engine, 204PS.

Set for one engine.

Piston / Cylinder Porsche 911 3,0 Turbo Mahle

Model: 01144P

Mahle piston and cylinder set Porsche 911.

For 3,0 liter turbo engine.

Set for one engine.

Piston / Cylinder Porsche 911 3,2 218PS Mahle

Model: 01146P

Mahle piston and cylinder set Porsche 911.

For 3,2 liter engine, 218PS.

Set for one engine.

Piston / Cylinder Porsche 911 3,2 Carrera Mahle

Model: 01158P

Mahle piston and cylinder set Porsche 911Carrera.

For 3,2 liter Carrera engine, buold year 1984-1989 (10,3:1).

Set for one engine.

Piston / Cylinder Porsche 911 Carrera 3,0 / 911 SC 180PS Mahle

Model: 01156P

Mahle piston and cylinder set Porsche 911Carrera and SC.

For 911 Carrera 3,0 and 911 SC 180PS engines, build year 1977-1980.

Set for one engine.

Piston / Cylinder Porsche 911 E 2,2 155PS Mahle

Model: 01152P

Mahle piston and cylinder set Porsche 911 E.

For 2,2 liter engine, 155PS, build year 1970-1971.

Set for one engine.

Porsche 911 engine parts and machining incl. sub-categories > Piston and Cylinder Sets

Piston / Cylinder Porsche 911 L 130PS / 911 E 140PS Mahle

Model: 01150P

Mahle piston and cylinder set Porsche 911.

For 911 L 130PS and 911 E 140PS engines, build year 1969.

Set for one engine.

Piston / Cylinder Porsche 911 S 175PS / 911 165PS Mahle

Model: 01155P

Mahle piston and cylinder set Porsche 911S.

For 911 S 175PS and 911 165PS engines, build year 1974-1977.

Set for one engine.

Piston / Cylinder Porsche 911 SC USA 172PS Mahle

Model: 01157P

Mahle piston and cylinder set Porsche 911 SC USA.

For 172PS engine, build year 1979-1983.

Set for one engine.

Piston / Cylinder Porsche 911 T 2,2 125PS Mahle

Model: 01151P

Mahle piston and cylinder set Porsche 911 T.

For 2,2 liter engine, 125PS, build year 1970-1971.

Set for one engine.

Piston / Cylinder Porsche 930 3,3 Turbo Mahle

Model: 01148P

Mahle piston and cylinder set Porsche 911.

For 3,3 liter Turbo engine, engine type 930.66 with k-jetronic.

Set for one engine.

Piston / Cylinder Porsche 964 Turbo 2 - 3,3 Mahle

Model: 01160P

Mahle piston and cylinder set Porsche 964 Turbo 2.

For 3,3 liter Turbo engine, 320PS, build year 1991-1992.

Set for one engine.

Piston / Cylinder Porsche 964 Turbo 3 - 3,6 Mahle

Model: 01161P

Mahle piston and cylinder set Porsche 964 Turbo 3.

For 3,6 liter Turbo engine, 360PS, build year 1993-1994.

Set for one engine.

Piston / Cylinder Porsche 993 272PS 285PS Mahle

Model: 01162P

Mahle piston and cylinder set Porsche 993.

For 272PS and 285PS, build year 1994-1998.

Set for one engine.

Porsche 911 engine parts and machining incl. sub-categories > Piston and Cylinder Sets

Piston / Cylinder Porsche 993 Biturbo 408PS Mahle

Model: 01163P

Mahle piston and cylinder set Porsche 993 Biturbo.

For 408PS, build year 1995-1998.

Set for one engine.

Piston / Cylinder Porsche C2 / C4 Mahle

Model: 01159P

Mahle piston and cylinder set Porsche C2 / C4.

Build year 1991-1993.

Set for one engine.

Porsche 911 engine parts and machining incl. sub-categories > Tuning & Big Bore Piston and Cylinder Sets

Piston / Cylinder Porsche 911 2,2 to 2,5 Mahle
Model: 01300P
Mahle piston and cylinder set Porsche 911. Upgrade for 2,2 liter engine to 2,5 liter. Diameter 89mm. Set for one engine.

Piston / Cylinder Porsche 911 2,4 to 2,5 Mahle
Model: 01301P
Mahle piston and cylinder set Porsche 911. Upgrade for 2,4 liter engine to 2,5 liter. Diameter 86,7mm. Set for one engine.

Piston / Cylinder Porsche 911 2,7 Carrera Mahle
Model: 01302P
Mahle piston and cylinder set Porsche 911 Carrera. For 2,7 liter engine. Diameter 90mm (10,3:1). Set for one engine.

Piston / Cylinder Porsche 911 2,7 Carrera to 2,8 Mahle
Model: 01303P
Mahle piston and cylinder set Porsche 911 Carrera. Upgrade for 2,7 liter engine to 2,8 liter. Diameter 92mm. Set for one engine.

Piston / Cylinder Porsche 911 2,7 Carrera to 2,9 Mahle
Model: 01304P
Mahle piston and cylinder set Porsche 911 Carrera. Upgrade for 2,7 liter engine to 2,9 liter. Diameter 93mm. Set for one engine.

Piston / Cylinder Porsche 911 2,7 Carrera to 3,0 (RSR) Mahle
Model: 01305P
Mahle piston and cylinder set Porsche 911 Carrera. Upgrade for 2,7 liter engine to 3,0 liter RSR. Diameter 95mm (10,3:1). Set for one engine.

Piston / Cylinder Porsche 911 3,0 SC Mahle
Model: 01307P
Mahle piston and cylinder set Porsche 911. For 3,0 liter SC engine Diameter 95mm (10,5:1). Set for one engine.

Piston / Cylinder Porsche 911 3,0 SC to 3,2 Mahle
Model: 01310P
Mahle piston and cylinder set Porsche 911. Upgrade for 3,0 liter SC engine to 3,2 liter. Diameter 98mm. Set for one engine.

Porsche 911 engine parts and machining incl. sub-categories > Tuning & Big Bore Piston and Cylinder Sets

Piston / Cylinder Porsche 911 3,0 SC to 3,3 Mahle
Model: 01313P
Mahle piston and cylinder set Porsche 911. Upgrade for 3,0 liter SC engine to 3,3 liter. Diameter 98mm (10,5:1). Set for one engine.

Piston / Cylinder Porsche 911 3,0 SC to 3,5 Mahle
Model: 01314P
Mahle piston and cylinder set Porsche 911. Upgrade for 3,0 liter SC engine to 3,5 liter. Diameter 100mm. Set for one engine.

Piston / Cylinder Porsche 911 3,2 Carrera to 3,4 Mahle
Model: 01311P
Mahle piston and cylinder set Porsche 911. Upgrade for 3,2 liter Carrera engine to 3,4 liter. Diameter 98mm. Set for one engine.

Piston / Cylinder Porsche 911 3,2 Carrera to 3,5 Mahle
Model: 01315P
Mahle piston and cylinder set Porsche 911. Upgrade for 3,2 liter Carrera engine to 3,5 liter. Diameter 100mm. Set for one engine.

Piston / Cylinder Porsche 911 3,6 to 3,8 Mahle
Model: 01317P
Mahle piston and cylinder set Porsche 911. Upgrade for 3,6 liter engine to 3,8 liter. Diameter 102mm. Set for one engine.

Piston / Cylinder Porsche 911 RSR Mahle
Model: 01306P
Mahle piston and cylinder set Porsche 911 RSR. Diameter 95mm (10,3:1). Set for one engine.

Piston / Cylinder Porsche 930 Turbo 3,0 to 3,3 Mahle
Model: 01312P
Mahle piston and cylinder set Porsche 930 Turbo. Upgrade for 3,0 liter engine to 3,3 liter. Diameter 98mm (7,5:1). Set for one engine.

Piston / Cylinder Porsche 930 Turbo 3,3 to 3,5 Mahle
Model: 01316P
Mahle piston and cylinder set Porsche 930 Turbo. Upgrade for 3,3 liter engine to 3,5 liter. Diameter 100mm. Set for one engine.

Porsche 911 engine parts and machining incl. sub-categories > Tuning & Big Bore Piston and Cylinder Sets

Piston / Cylinder Porsche 930 Turbo Mahle
Model: 01309P
Mahle piston and cylinder set Porsche 930 Turbo. Diameter 97mm (8,0:1). Set for one engine.

Piston / Cylinder Porsche 935 Turbo Mahle
Model: 01308P
Mahle piston and cylinder set Porsche 935 Turbo. Diameter 95mm (7,0:1). Set for one engine.

Piston ring sets for Porsche 911
Model: 51111P-A
We could deliver all piston ring sets for porsche 911 pistons. Please contact us that we can offer them. The dimensons and hight of the rings are needed!

Porsche 911 engine parts and machining incl. sub-categories > Camshafts and Supplies

Camshafts Porsche 911 E
Model: 04411P
Camshafts Porsche 911 E

Camshafts Porsche 911 RSR Set
Model: 04405P
<p>To fit early engines with 47 mm bearings.</p> <p>Grind like RSR usable for cam housings with 3 or 4 bearings.</p> <p>Exhaust valve lift 11,7 mm duration 328°.</p> <p>Intake valve lift 12,2 mm duration 336°.</p> <p>Valve lift at TDC</p> <p>Inlet: 5,95 mm</p> <p>Exhaust 4,85 mm</p> <p>Lobecenter 100°</p> <p>With inside oil feed.</p>

Camshafts Porsche 911 S
Model: 04410P
Camshafts Porsche 911 S

Camshafts Porsche 911 SC
Model: 04413P
Camshafts Porsche 911 SC

Camshafts Porsche 911 T
Model: 04412P
Camshafts Porsche 911 T

Schrick Special Camshafts Porsche 911 catalogue
Model: Schrick
<p>We also offer Schrick Porsche 911 camshafts. For more details please see the catalogue. The listed prices at the catalogue are without vat, please ask us about your price. Printed catalogue for free with your order! Schrick catalogue:www.avl-schrick.com/dat/MK/Schrick%202009%20D.pdf List of some Schrick Porsche 911 camshafts, for more the details press link. Porsche 911 6 Zyl. 2 Vent. 0005 L1 880-02 - 288/280/114, Lager Ø 49mm 0005 R1 880-02 - 288/280/114, Lager Ø 49mm 0005 L1 921-01 - 292/284/114, Lager Ø 49mm 0005 R1 921-01 - 292/284/114, Lager Ø 49mm 0005 L1 040-00 - 304/296/112, Lager Ø 49mm 0005 R1 040-00 - 304/296/112, Lager Ø 49mm 0005 L1 200-01 - 320/308/108, Lager Ø 49mm 0005 R1 200-01 - 320/308/108, Lager Ø 49mm 0452 E1 641-00 - 264/127 0452 A1 601-00 - 260/108 0452 E1 681-00 - 268/127 0452 A1 641-00 - 264/108 Porsche 996 6 Zyl. 4 Vent. Porsche 911 engine parts and machining incl. sub-categories > Gasket Sets

Assembly paste for bearings, crank and cam
Model: 08095
Assembly paste for bearings, crank and cam

Case Gasket Set Porsche all 911, 1965-1977
Model: 10081P
Case gasket set Porsche all 911, 1965-1977, for complete case

Case Gasket Set Porsche all 911, 1978-1998
Model: 10092P
Case gasket set Porsche all 911, 1978-1998 for complete case (3,0 / 3,2 / 3,3 / 3,6 / 3,8)

Complete Gasket Set Porsche 911 2,0 S.TU, 1966-1969
Model: 10085P
Complete gasket set Porsche 911 2,0 S.TU, 1966-1969, for one engine

Complete Gasket Set Porsche 911 2,0 T,E,S, Mod. 1969
Model: 10086P
Complete gasket set Porsche 911 2,0 T,E,S, Mod. 1969 with Weber carburetors or mechanical injection , for one engine

Complete Gasket Set Porsche 911 2,2 T, 1970-1971
Model: 10100P
Complete gasket set Porsche 911 2,2 T, 1970-1971, for one engine

Complete Gasket Set Porsche 911, 2,0-2,4, T,E,S 1972-1973
Model: 10101P
Complete gasket set Porsche 911 2,0-2,4, T,E,S 1972-1973, for one engine

Head Gasket Set Porsche 911 2,0 165 PS 1974-1977
Model: 10093P
Head gasket set Porsche 911 2,0 165 PS, K-jetronic, 1974-1977, for all heads

Porsche 911 engine parts and machining incl. sub-categories > Gasket Sets

Head Gasket Set Porsche 911 2,0 S.T.U, 1966-1969

Model: 10109P

Head gasket set Porsche 911 2,0 S.T.U, 1966-1969, for all heads

Head Gasket Set Porsche 911 2,0 T,E,S, Mod. 1969

Model: 10110P

Head gasket set Porsche 911 2,0 T,E,S, Mod. 1969 with Weber carburetors or mechanical injection , for all heads

Head Gasket Set Porsche 911 2,2 T, 1970-1971

Model: 10111P

Head gasket set Porsche 911 2,2 T, 1970-1971, for all heads

Head Gasket Set Porsche 911 2,7 150/175 PS 1974-1977

Model: 10089P

Head gasket set Porsche 911 2,7 150/175 PS, K-Jetronic, 1974-1977, for all heads

Head Gasket Set Porsche 911 2,7 1973-1976

Model: 10088P

Head gasket set Porsche 911 2,7 1973-1976, for all heads

Head Gasket Set Porsche 911 3,0 / SC Carrera 1976-1983

Model: 10090P

Head gasket set Porsche 911 3,0 / SC Carrera 1976-1983, for all heads

Head Gasket Set Porsche 911 3,2 Carrera 1984-1989

Model: 10077P

Head gasket set Porsche 911 3,2 Carrera 1984-1989, for all heads

Head Gasket Set Porsche 911, 2,0-2,4, T,E,S 1972-1973

Model: 10112P

Head gasket set Porsche 911 2,0-2,4, T,E,S 1972-1973, for all heads

Porsche 911 engine parts and machining incl. sub-categories > Gasket Sets

Head Gasket Set Porsche 930 3,0 / Turbo 1975-1977
Model: 10094P
Head gasket set Porsche 930 3,0 / Turbo 1975-1977, for all heads

Head Gasket Set Porsche 930 3,0 / Turbo 1978-1989
Model: 10095P
Head gasket set Porsche 930 3,0 / Turbo 1978-1989, for all heads

Head Gasket Set Porsche 964 3,6 / C2/4 1989-1994
Model: 10096P
Head gasket set Porsche 964 3,6 / C2/4 1989-1994, for all heads

Head Gasket Set Porsche 965 3,3 / Turbo 1991-1992
Model: 10097P
Head gasket set Porsche 965 3,3 / Turbo 1991-1992, for all heads

Head Gasket Set Porsche 965 3,6 / Turbo 1992-1994
Model: 10098P
Head gasket set Porsche 965 3,6 / Turbo 1992-1994, for all heads

Head Gasket Set Porsche 993 1994-1998
Model: 10099P
Head gasket set Porsche 993 1994-1998, for all heads

Head Gasket Set Porsche 996 up to 1998
Model: 10113P
Head gasket set Porsche 996 up to 1998, for both heads

Valve Cover Gasket Set Porsche all 911, 2,0-3,3
Model: 10014P
Valve cover gasket set Porsche all 911, 2,0-3,3, for all heads

Valve Cover Gasket Set Porsche all 911, 3,6

Model: 10015P

Valve cover gasket set Porsche all 911 3,6 for all heads

Porsche 911 engine parts and machining incl. sub-categories > Bearing Sets

HD - Race Rod Bearing Set Porsche 911 2,0-2,2 -0,25mm
Model: 06201P
HD - Race Rod bearing set for Porsche 911 2,0-2,2 -0,25mm, 57mm rod diameter.

HD - Race Rod Bearing Set Porsche 911 2,0-2,2 Standard
Model: 06200P
HD - Race Rod bearing set for Porsche 911 2,0-2,2 Standard, 57mm.

Mainbearing No. 8 Porsche 911 Standard
Model: 05330P
Mainbearing No. 8 Porsche 911 Standard

Mainbearing No. 8 Porsche 911 Standard / -0,25
Model: 05331P
Mainbearing No. 8 Porsche 911 Standard / -0,25

Mainbearing Porsche 911 2,0-2,7 to 1974 -0,25
Model: 05226P
Mainbearing Porsche 911 2,0-2,7 to 1974 -0,25, for one engine

Mainbearing Porsche 911 2,0-2,7 to 1974 Standard
Model: 05224P
Mainbearing Porsche 911 2,0-2,7 to 1974 standard, for one engine

Mainbearing Porsche 911 2,7-3,0 up to 1974 Standard
Model: 05223P
Mainbearing Porsche 911 2,7-3,0 standard, for one engine

Mainbearing Porsche 911 3,0-3,6 1978-1989 Standard
Model: 05225P
Mainbearing Porsche 911 3,0-3,6 1978-1989 Standard, for one engine

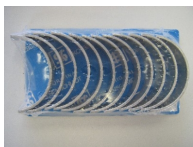

Porsche 911 engine parts and machining incl. sub-categories > Bearing Sets

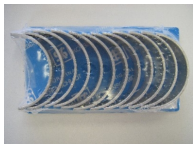

Oversize mainbearing Porsche 911 2,0-2,7 to 1974 by Ahnendorp +0,50 -0,25
Model: 05300P
Oversize mainbearing Porsche 911 2,0-2,7 to 1974, new produced as Ahnendorp part. So many old cases could be use again. Oversize for the case / mainbearing: +0,50mm Undersize for the crankshaft: -0,25mm. Delivery: Bearings 1-7.

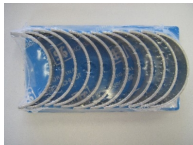

Rod Bearing Porsche 911 2,0-2,2 -0,25
Model: 06066P
Rod bearing set Porsche 911 2,0-2,2 -0,25, for one engine

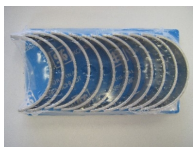

Rod Bearing Porsche 911 2,0-2,2 Standard
Model: 06063P
Rod bearing set Porsche 911 2,0-2,2 standard, for one engine

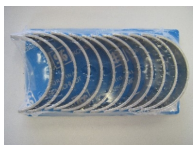

Rod Bearing Porsche 911 2,4-3,0 until 1977 -0,25
Model: 06067P
Rod bearing Porsche 911 2,4-3,0 until 1977 -0,25, for one engine

Rod Bearing Porsche 911 2,4-3,0 until 1977 Standard
Model: 06062P
Rod bearing Porsche 911 2,4-3,0 until 1977 standard, for one engine

Rod Bearing Porsche 911 3,0 upper 1977 Standard
Model: 06064P
Rod bearing Porsche 911 3,0 upper 1977 standard, for one engine

Rod Bearing Porsche 911 3,2-3,6 1984-1993 Standard
Model: 06065P
Rod bearing Porsche 911 3,2-3,6 1984-1993 standard, for one engine

Porsche 911 engine parts and machining incl. sub-categories > Valves (p/c)

Exhaust Valve Porsche 911 2,0 35mm 1966-1968
Model: 09412P
Exhaust valve Porsche 911 2,0 35mm 1966-1968, one piece

Exhaust Valve Porsche 911 2,0 S 39mm 1969
Model: 09413P
Exhaust valve Porsche 911 2,0 S 39mm 1969, one piece. Only as OE valve!

Exhaust Valve Porsche 911 2,2-2,7 40mm 1970-1972
Model: 09404P
Exhaust valve Porsche 911 2,2-2,7 40mm 1970-1972, one piece (not for Carrera 3,0)

Exhaust Valve Porsche 911 3,0-3,2 41,5mm 1978-1989
Model: 09414P
Exhaust valve Porsche 911 3,0-3,2 41,5mm 1978-1989, one piece

Exhaust Valve Porsche 911 S/TU 38mm 1967-1968
Model: 09421P
Exhaust valve Porsche 911 S/TU 38mm 1967-1968, one piece

Exhaust Valve Porsche 911 Turbo 41,5mm Natrium gefüllt
Model: 09422P
Exhaust Valve Porsche 911 Turbo 41,5mm Natrium gefüllt

Exhaust Valve Porsche 964 3,6 42,5mm 1989-1994
Model: 09415P
Exhaust valve Porsche 964 3,6 42,5mm 1989-1994, one piece

Intake Valve Porsche 911 2,0 39mm 1966-1968
Model: 09416P
Intake valve Porsche 911 2,0 39mm 1966-1968, one piece

Porsche 911 engine parts and machining incl. sub-categories > Valves (p/c)

Intake Valve Porsche 911 2,0 45mm 1969
Model: 09417P
Intake valve Porsche 911 2,0 45mm 1969, one piece. Only as OE valve.

Intake Valve Porsche 911 2,0-2,7 46mm 1970-1977
Model: 09410P
Intake valve Porsche 911 2,0-2,7 46mm 1970-1977, one piece (not for carrera 3,0)

Intake Valve Porsche 911 3,0-3,2 49mm 1978-1989
Model: 09418P
Intake valve Porsche 911 3,0-3,2 49mm 1978-1989, one piece

Intake Valve Porsche 911 3,0-3,2 49mm 1978-1989 SET = 6 PC
Model: 09418P-xSATZ
Intake valve Porsche 911 3,0-3,2 49mm 1978-1989, SET = 6 PC Limited offer!

Intake Valve Porsche 911 S/TU 42mm 1967-1968
Model: 09420P
Intake valve Porsche 911 S/TU 42mm 1967-1968, one piece

Intake Valve Porsche 964 3,6 50mm 1989-1994
Model: 09419P
Intake valve Porsche 964 3,6 50mm 1989-1994, one piece

Porsche 911 engine parts and machining incl. sub-categories > Other Engine Parts

Camshaft Chain Set Porsche 911
Model: 04850P
Camshaft chain set Porsche 911

Chain rail set Porsche 911
Model: 04851P
Chain rail set Porsche 911, please state engine type

Chain Tensioner Hydraulic Porsche 911
Model: 04853P
Chain tensioner hydraulic Porsche 911, one piece

Chain Tensioner Mechanic Porsche 911
Model: 04852P
Chain tensioner mechanic Porsche 911, one piece

Conversion Kit Chain Tensioner Hydraulic Porsche 911
Model: 04854P
Conversion kit chain tensioner hydraulic Porsche 911, set for one engine

Flywheel bolts Porsche 911 2,0
Model: 23077P
Flywheel bolts Porsche 911 2,0, for one engine

Flywheel bolts Porsche 911 2,2-3,0
Model: 23078P
Flywheel bolts Porsche 911 2,2-3,0, for one engine

Flywheel bolts Porsche 911 3,0-3,6
Model: 23079P
Flywheel bolts Porsche 911 3,0-3,6, for one engine

Porsche 911 engine parts and machining incl. sub-categories > Other Engine Parts

Flywheel Porsche 911 NEW, all versions

Flywheel Porsche 911 NEW, all versions, please ask for prices.

Gasket oil screen Porsche 911

Model: 16169P

Gasket oil screen Porsche 911 (set = 2 gaskets)

Intermediate shaft Porsche 911

Model: 05153P

Intermediate shaft Porsche 911, set for one engine

Oil Pump Porsche 911 1966-1975

Model: 16190P

Oil Pump Porsche 911 1966-1975.

The larger oil pump 16190P up to 1976 should be used (case must be modified with extra bypass).

Oil Pump Porsche 911 1976-1989 (large)

Model: 16191P

Oil Pump Porsche 911 1976-1989.

The larger oil pump can be use with older cases too if case will be modified with bypass.

Oil Pump Porsche 911 3,2 Carrera 1984-1989

Model: 16177P

Oil pump Porsche 911 3,2 Carrera 1984-1989

Oil Pump Porsche 964/933 1989-1998

Model: 16178P

Oil pump Porsche 964/933 1989-1998

Oil return pipe flexible Porsche 911

Model: 16176P

Oil return pipe flexible Porsche 911

Porsche 911 engine parts and machining incl. sub-categories > Other Engine Parts

Oil return pipe Porsche 911

Model: 16175P

Oil return pipe Porsche 911 (need four p/c for one engine!)

Rocker Porsche 911

Model: 04766P

Rocker Porsche 911, one piece

Rocker Shaft Porsche 911

Model: 04767P

Rocker shaft Porsche 911, one piece

Rod Bolts with Nuts Porsche 911 2,0

Model: 07201P

Rod bolts with nuts Porsche 911 2,0, for one engine

Rod Bolts with Nuts Porsche 911 2,2

Model: 07202P

Rod bolts with nuts Porsche 911 2,2, for one engine

Rod Bolts with Nuts Porsche 911 2,4-3,0

Model: 07203P

Rod bolts with nuts Porsche 911 2,4-3,0, for one engine

Rod Bolts with Nuts Porsche 911 3,2-3,6

Model: 07204P

Rod bolts with nuts Porsche 911 3,2-3,6, for one engine

Valve Adjusting Screw Porsche 911

Model: 04755P

Valve adjusting screw Porsche 911, one piece

Porsche 911 engine parts and machining incl. sub-categories > Machining

Alignbore of engine case Porsche 911 for oversize bearings
Model: 80294P
Alignbore of engine case Porsche 911 for oversize bearings

Balancing Crankshaft, Flywheel and Clutch Pressure Plate Porsche 911
Model: 80046P
Balancing crankshaft, flywheel and clutch pressure plate Porsche 911

Balancing Crankshaft and Flywheel Porsche 911
Model: 80024P
Balancing crankshaft and flywheel Porsche 911

Balancing Crankshaft Porsche 911
Model: 80038P
Balancing crankshaft Porsche 911

Balancing Flywheel Porsche 911
Model: 80039P
Balancing flywheel Porsche 911

Balancing Flywheel and Clutch Plate Porsche 911
Model: 80154P
Balancing flywheel and clutch plate Porsche 911

Check crankshaft for demension run out and cracks Porsche 911
Model: 80126P
Check crankshaft for demension run out and cracks Porsche 911

Clean 6 cylinderheads porsche 911 for machining
Model: 81020P
Clean 6 cylinderheads porsche 911 for machining. This is sometimes possible, that we can work on your heads. Please do averytime also make them clean much god as possible, if you send them to us. Cleaning and blasting of six heads porsche 911. Like to see on the pictures, this is much work, but needet for machining sometimes.

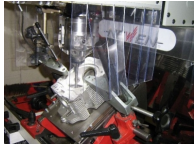

Crankshaft Regrind Porsche 911

Model: 80106P

Crankshaft Regrind Porsche 911.

Mainbearings 1-7 and all rod bearings.

Cut 6 valve seats Super Finish Porsche 911

Model: 80009P

Cut 6 valve seats with radius Porsche 911, Super Finish

Cylinder Head Rebuild Porsche 911 and Tuning I, set

Model: 80356P

Cylinder Head Rebuild Porsche 911 and Tuning I.

New valve guides, valves seats radius cut, cylinder sealing surface milled, valves grind include porting and valve polishing, price for all heads.

Achtung:

Die Stehbolzen der Zylinderköpfe nicht entfernen!

Cylinder Head Rebuild Porsche 911 Tuning II 50/43mm, Satz

Model: 80384P

Cylinder Head Rebuild Porsche 911 Tuning II 50/43mm

New valve guides, new valves seats, cylinder sealing surface milled, porting and new larger valves inlet 50mm/ exhaust 43mm with 8mm stems, price for all heads.

Cylinder Head Rebuild Porsche 911 Tuning II 52/44mm, set

Model: 80385P

Cylinder Head Rebuild Porsche 911 Tuning II 52/44mm

New valve guides, new valves seats, cylinder sealing surface milled, porting and new larger valves inlet 52mm/ exhaust 44mm with 8mm stems, price for all heads.

Porsche 911 engine parts and machining incl. sub-categories > Machining

<p>Cylinder Head Rebuild Porsche 911 Tuning II, Satz</p>
<p>Model: 80386P</p>
<p>Cylinder Head Rebuild Porsche 911 Tuning II New valve guides, new valves seats, cylinder sealing surface milled, porting, price for all heads.</p>

<p>Cylinder Head Rebuild Porsche 911 w/o milling cylinder sealing surface, set</p>
<p>Model: 80307P</p>
<p>Cylinder Head Rebuild Porsche 911. New valve guides, valves seats radius cut, valves grind, without milling cylinder sealing surface, set. Attention: All parts must deliver disassembled and cleaned. Otherwise we can not machine your parts or only for additional cost. Please do not remove the bolts!!!</p>

<p>Cylinder Head Rebuild Porsche 911, Satz</p>
<p>Model: 80306P</p>
<p>Cylinder Head Rebuild Porsche 911. New valve guides, valves seats radius cut, cylinder sealing surface milled, valves grind, set. Attention: All parts must deliver disassembled and cleaned. Otherwise we can not machine your parts or only for additional cost. Achtung: Die Stehbolzen der Zylinderköpfe nicht entfernen!</p>

Porsche 911 engine parts and machining incl. sub-categories > Machining

Drilling of Twin Plugs Porsche 911

Model: 80129P

Drilling of twin plugs Porsche 911, all 6 heads
M12

Flywheel Leighten and Balancing Porsche 911

Model: 80116P

Flywheel leighten and balancing Porsche 911

Grinding of Friction Surface Porsche 911 Flywheel

Model: 80082P

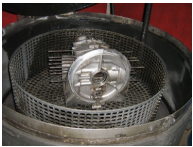

Grinding of friction surface Porsche 911 flywheel

Hone Cylinders Porsche 911, Fresh Up

Model: 80109P

Hone cylinders Porsche 911, fresh up, all 6

Hot Tank Part Cleaning Porsche 911 15 minutes

Model: 81010P

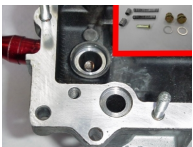

Hot Tank Part Cleaning Porsche 911

Machine Porsche 911 case for bigger cylinders

Model: 80013P

Machine Porsche 911 case for bigger cylinders, price for machining with new piston and cylinders from us, other diameters different price.
With some of the piston/cylinder for other engine versions you must machine you case for more stroke!

Milling bypass to use bigger oil pump Porsche 911 1966 to 1976 cases

Model: 80167P

Milling bypass to use bigger oil pump Porsche 911
Case bypass modification to use the larger oil pump from 1976 on.
Including parts.

New valve seats Porsche 911 heads

Model: 80102PO

New valve seats Porsche 911 heads, price for 6 of the same size, price without standard head rebuild!

Porsche 911 engine parts and machining incl. sub-categories > Machining

Polishing of used Crank Journals Porsche 911
Model: 80163P
Polishing of used Crank Journals Porsche 911

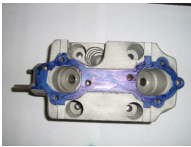

Porsche 911 cylinder heads machine to bigger ports
Model: 80360P
Porsche 911 cylinder heads machine to bigger ports, machining all 6 heads, intake and exhaust side. Also to add with our other cylinder head machining.

Porsche 911 lighten, weight correction and shotblasting of rods
Model: 80127P
Porsche 911 lighten, weight correction and shotblasting of rods, set for one engine. Machining of your rods! Lighten round 70 gramms for each!

Pull Off Crankshaft Gear Porsche 911
Model: 80060P
Pull off crankshaft gear Porsche 911

Regrind top surface Porsche 911 cylinderheads, set
Model: 80095P
In order to resurface the cylinder sealing surface of the Porsche 911 cylinder heads the opposite surface must be 100% flat to clamp the head to the milling machine. Through the long service time most porsche 911 cylinderheads are bend and the rocker cover side must be grind. Before this machining the studs and valve guides must be removed and the location dowels must drilled out. Price for one set = 6 cylinder heads.

Repair of exhaust stud Porsche 911
Model: 80209P
Repair of exhaust stud Porsche 911with helicoil one P/C

Replace 6 valve guides inlet or exhaust Porsche 911
Model: 80099P
Replace 6 valve guides inlet or exhaust Porsche 911 (6 cylinder heads). Oversize for additional costs.

Replace 6 Valve Seats Porsche 911
Model: 80102P
Replace 6 valve seats Porsche 911 Price only in combination with standard rebuild!

Porsche 911 engine parts and machining incl. sub-categories > Machining

Replace and produce 1 valve guide inlet or exhaust Porsche 911
Model: 80088P
Replace and produce 1 valve guide if needed, inlet or exhaust. Price for one piece!

Replace rocker bushings Porsche 911
Model: 80132P
Replace rocker bushings Porsche 911, for one engine

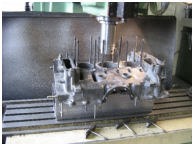

Resurface flywheel flange Porsche 911
Model: 80094P
Resurface flywheel flange Porsche 911

Resurfacing case parting surface and align bore back to standard size Porsche 911
Model: 80292P
Resurfacing case parting surface and align bore back to standard size if possible, Porsche 911.

Resurfacing Cylinder Heads Porsche 911
Model: 80098P
Resurfacing cylinder heads Porsche 911, price for all 6 heads.

Resurfacing Cylinder Spigots Porsche 911
Model: 80201P
Resurfacing Cylinder Spigots Porsche 911. Check if cylinders will good fit at the case!

Rod bolts with nuts Porsche 911 2,0
Model: 07201P
Rod bolts with nuts Porsche 911 2,0, for one engine

Rod bolts with nuts Porsche 911 2,2
Model: 07202P
Rod bolts with nuts Porsche 911 2,2, for one engine

Porsche 911 engine parts and machining incl. sub-categories > Machining

Rod bolts with nuts Porsche 911 2,4-3,0

Model: 07203P

Rod bolts with nuts Porsche 911 2,4-3,0, for one engine

Rod bolts with nuts Porsche 911 3,2-3,6

Model: 07204P

Rod bolts with nuts Porsche 911 3,2-3,6, for one engine

Rod Rebuild Porsche 911 including new bolts and nuts

Model: 80118P

Rod rebuild Porsche 911, resizing big end, fitting of new bushings, including new bolts and nuts

Sand Blasting 15 minutes

Model: 81011P

Sand Blasting 15 minutes

Turning Flywheel Porsche 911

Model: 80083P

Turning flywheel before grinding Porsche 911, if needed

High Temperature Aerosol Exhaust Paint Spray Black
Model: 20110
High Temperature Aerosol Exhaust Paint Spray Black

Exhaust racing heat exchanger without heating function, Ø inner 42 mm, stainless steel

Model: 21109P

Exhaust racing heat exchanger without heating function, Ø inner 42 mm, stainless steel, set for one engine

Porsche 911 2,0-2,7 Dynomax sport exhaust system

Model: 21120P

Porsche 911 2,0-2,7 Dynomax sport exhaust system.

This system will be one of the best way if you want to combine much hp and torque.

The headers are made with a exact diameter for Porsche 911 engines from 2,0 to 2,4 liters.

Because the silencer also use some of the finest producing technic it is very compact but you get also much more flow.

The sound is very deep.

Delivery like the pictures.

Complete system is coated.
